MANGALYATAN UNIVERCITY  
ALIGARH / UTTAR PRADESH /  
2022

I am currently pursuing a Bachelor of Computer Applications (BCA) program, and I have successfully completed the first two semesters of my course. My BCA studies, looking forward to delving deeper into the field of computer science and exploring new opportunities for growth and learning in the upcoming semesters.

## SKILLS

REACT

HTML

CSS 3

CSS 5

SASS

JAVASCRIPT

GITHUB

I have 6 to 7month of experience as a React developer, specializing in creating dynamic and user-friendly web applications.

My expertise includes developing complex UI components, optimizing performance, and implementing state management solutions for seamless user experiences.

I've successfully contributed to cross-functional teams, delivering high-quality React applications and staying up-to-date with best practices and emerging trends in the field.

## WORK EXPERIENCE

Coding Boat

Apr 2023 - Oct 2023  
Delhi

REACT DEVELOPER

I possess extensive experience in React.js, a prominent JavaScript library for building dynamic user interfaces. Over the years, I have honed my skills in creating robust and efficient front-end solutions. With my comprehensive expertise in React.js, I'm well-prepared to take on complex front-end challenges, bringing innovative solutions and staying updated with the latest advancements in the React ecosystem to deliver cutting-edge web applications.
